featured wine

this month at Garfish we are showcasing some of the best producers in the organic/natural wine movement.

Organic & biodynamic are very similar practises, both make wine that exclude the use of synthetic chemicals. Certification to be organic or biodynamic can take several years.

2016	tellurian marsanne	heathcote vic	13	60
2017	thistle hill shiraz	mudgee nsw	11	53

Natural wine has no chemical or technological intervention both in the growing & wine making process. White wines can look orange in colour due to the skin & seed contact, be very cloudy & a little funky on the nose.

2018	muddy water 'skin ferment' white	waipara nz	15	70
2018	BK wines carbonic pinot noir	adelaide hills sa	14	65
