### mount towrong, macedon range, vic

mt towrong are all about the italian wines.

chief winemaker adam paleg has great respect for the vines and the fruit that they produce. he believes in minimal intervention, with the aim of being for the wines to be a true reflection of the fruit he works with.

2019	mt towrong vermentino	macedon   vic	13	60
------	-----------------------	---------------	----	----

a native variety grown in sardinia, italy.

australia is now producing some of the best vermentino. pale straw in colour with aromas of orange blossom and fresh pear. the palate is light with a lingering mineral finish.

2018	mt towrong lagrein	macedon   vic	13	60
------	--------------------	---------------	----	----

a native variety grown in tyroll, northern italy.

deep red in colour with earthy aromas. the palate is medium bodied with flavours of cherries, dark chocolate and spice. 6 months in french oak give the wine great balance with elegant soft tannins. the approachability of this wine make it very moreish.
