## featured wine

---

garfish is delighted to introduce you to a white wine you may not know as a stand-alone variety

2023 **shadowfax 'minnow' roussanne** werribee park, vic 14 65

established in 1998, shadowfax is located just 30 minutes from melbourne.

they are dedicated to creating high quality handcrafted wines.

the werribee park vineyards are particularly suited to southern french varietals, hence the growing of roussanne, a white grape variety originally grown in the rhone wine region of france

pale straw in colour w/ a green olive hue.

on the nose white blossom & ripe stone fruit. the palate exhibits orange fruits & marzipan.

the gravelly terroir gives this wine excellent minerality with the added delight of a hint of ginger spice on the finish.

this roussanne is testament to the shadowfax philosophy of good fruit, minimal intervention & a love for wine.

enjoy w/our sri lankan fish & king prawn curry.
